Dear Ms. Tracy:

My thanks to you and to WCDL for the thorough coverage that you gave the January 6, 1983 meeting of the Carbondale Historical Society. Your report that was broadcast over WCDL at noon on January 8, 1983 was excellent. Is there any way that I can get a taped copy of the report or a transcript thereof?

Enclosed, for your records, is a copy of the letter that the Senior Assistant Postmaster General (F. X. Biglin) wrote to me on December 22, 1982. The third paragraph of this letter from F. X. Biglin is extremely important with respect to the future welfare of the present Post Office building in Carbondale because the Senior Assistant Postmaster General states therein that the United States Postal Service will protect and preserve the exterior of the present Post Office building in Carbondale.

Sincerely,

S. Robert Powell
